**Turboset products receives recognition on "Cover of Bassmaster" magazine March Issue 2009**

**Cannon Falls, MN (February 25, 2009)-** B.A.S.S., the world's finest fishing organization has honored the Turboset product line by featuring our product on the March 2009 cover.

"We feel this is an enormous honor. Our entire staff would like say thanks to Bassmaster magazine and their fine staff of writers and field testers for featuring our product on this month's March edition cover. It takes a club like B.A.S.S. to help promote new and innovative products for the benefit of small manufacturers as well as bringing these new products to their dedicated and respected members", said Thomas Nyland, CEO of America's Fishing Device, Inc. Turboset USA.

"This is an honor, and we are looking forward to our next visit on the "Cover of Bassmaster".

Turboset™ a unique and effective line of fishing products for both Men and Women. Our Team of Experts and Pro Staff have developed the optimum line of products to enhance the fishing experience.
